

Icom Press Release

19th October 2009

Icom UK on the move to New Premises

Icom UK are pleased to announce our move to new premises in a couple of weeks time. After 24 happy years at our current location in Sea Street we are due to be fully in place at our new home by 9th November 2009.

Bob Stockley, Sales & Marketing Director said, "We are all really excited, our new 'purpose-built' premises provide us with more space, modern facilities and new equipment to enhance our service to our customers. Because of the size of our business, the move will be in two phases. The sales, marketing, I.T and accounts team along with the warehouse will move between 30th 31st & 1st opening on Monday morning for business as usual, the workshop will move the following weekend, 5th, 6th & 7th. Of course with two Fridays allocated to the move, there may be a little disruption, however this should be only slight and we ask all our valued friends & customers to bear with us, on the 30th especially.

Icom UK's new address will be:

**Icom UK Ltd
Blacksole House
The Boulevard
Altira Park
Herne Bay
Kent CT6 6GZ**

All telephone numbers and email addresses remain the same.

Important note: Please use the Sea Street address for deliveries and collections including service repairs until the 9th November. General post should be sent to Blacksole House from 1st November.
